

# AWTRS TRAVEL AWARDS 2018

## Purpose

The AWTRS has established a scheme to assist AWTRS members in presenting at any wound and/or tissue repair meeting whether national or international.

## Nature of the support

The AWTRS Committee will set the amount of funding each year depending on society finances so the total amount available may vary from year to year. In 2018 we have available \$3000 in total grants. Grants of \$1000 will be awarded for international conferences or \$500 for national conferences. Moneys can only be spent on travel to the conference, accommodation and registration.

## Eligibility

- ❖ The applicant must be a full-time postgraduate student currently enrolled at a recognised higher education provider or early-career researcher with less than 7 years post-doctoral experience.
- ❖ The applicant and their supervisor must be financial members of the AWTRS at the time of application. To join or renew your AWTRS membership please go to <http://www.awtrs.smalltalkevents.com.au>
- ❖ Meetings for which grants are sought must have a substantial wound and/or tissue repair content and the applicant must give evidence of active participation in the meeting (e.g. Poster or Presentation).
- ❖ Applicants must be willing to provide a report of the conference for the AWTRS newsletter within 1 month of the conference end date.

## Applications

1. Applications must consist of:
  - A CV no longer than 2 pages that must include the following details
  - Name of applicant
  - Current position (i.e. student, post-doc)
  - Institution
  - Supervisor
  - Education background (highest qualification / date of award / institution and current degree being pursued if applicable)
  - List of publications
  - Grants and awards
2. A brief letter of support from the applicants' supervisor
3. A statement of eligibility covering the above criteria
4. A description and the dates of the conference, the cost of travel, registration, and accommodation and a personal statement highlighting the value to their research / development in attending the conference.
5. A copy of the submitted conference abstract.

## Submission details

Applications should be submitted by e-mail to **Dr Brooke Farrugia** ([b.farrugia@unsw.edu.au](mailto:b.farrugia@unsw.edu.au)) by **COB 29 March 2018** (with Subject header 'AWTRS Travel Application').
